

Application form for the Charity of the Year – Americas

Complete the application form (please type all answers and fill out all boxes) and email to Swissrefoundation_Americas@swissre.com. Please do **NOT** include additional attachments. We will contact you for more information if we decide to take this application further.

Our theme for the Americas is “Building Societal Resilience” which means we support projects that help communities, and the people who live in them, rebound more quickly from catastrophes. These can be natural, health-related, or financial catastrophes. Charities who qualify for our theme and their organization is located within 35 miles of a Swiss Re location with 50+ employees are eligible to apply.

1. General information about your organization

Organization

Name	Contact name
